Junior Activities Patch Program – Electronic & Physical

ALA Junior members can be active participants with the Junior Patch Program regardless of where they live and whether or not she belongs to an **active** Junior group. They can serve their communities, veterans and learn about patriotism, health, fitness and leadership.

When the activities are completed, the Junior may download a patch and display on her social media page or order a physical patch by submitting paperwork. Junior Patch Requests forms must be submitted by the Department's Junior Activities Chairman to National Headquarters who in turn send the patches to chairman for distribution to individuals.

All information on patches K-12th grade levels can be found at www.alaforveterans.org.
