

**ALA DEPARTMENT OF DELAWARE
CHILDREN & YOUTH PROGRAM
MAY 2018**

Greetings "sister" members,

It is the end of the program year and it is my hope that all units will submit a narrative describing what they have accomplished for the Children & Youth program. So far, I have received four reports. I send the Department report to the Eastern Division Chairman as well as our National Chairman. Please try to submit a narrative to me before May 15, 2018. Thank you!

CONSTITUTIONAL FACT FOR MAY:

The Constitution provides for two senators from each state, but it does not set the size of the House. That is set by law. It has been 435 since 1912. The original first amendment to the Constitution sought to deal with this issue, but it was never ratified by enough states to become part of the Constitution.

I am also using a new email and my yahoo account does not receive responses. Therefore, I will use my husband's: [REDACTED]

If you have any questions or concerns, please contact me through the above email or home: [REDACTED]

See you in July at the ALA Department of Delaware convention.

Service not Self,
